YOU CAN

CHANGE THE WORLD

UNIONS ARE CONSTANTLY CHANGING AND IMPROVING THE LIVES OF WORKING PEOPLE.

Everyday workers are supported and encouraged to make a difference in their workplace. They achieve this through a strong network of union workplace representatives and paid organising staff.

COME AND WORK FOR A UNION

Organising Works is a training program developing new waves of diverse organisers. Organisers employed by a union to work to help workers stand together, and build a better future for all working people.

We are now reaching out to encourage all of our communities to apply for the wave of employed trainee organisers.
