

MENTOR APPLICATION

Mentoring is a special partnership between two people based on commitment to the mentoring process, common goals/expectations of the partnership, and mutual trust and respect.

Mentoring is a “get and give” experience with the goal of providing a rich and rewarding experience for both partners. We ask you to share your information so the program manager can match you in a mentoring relationship. Both you and your recommended mentee will have the opportunity to agree to the pairing before you are assigned to work together.

Please submit your application to karene.walton@actu.org.au.
